SELKIE FRIZZANTE

A frizzante-style wine, Selkie is created using a time-honoured technique where effervescence of fine bubbles defines the youthful liveliness of the flavours and aromas.

NOSE:

The delicate effervescence of this refreshing white wine heightens the aromas of flower scents and stone fruits.

PALATE:

This wine plays on the tip of your tongue then captures your taste buds with a combination of mild sweetness and grape flavours balanced on the palate with crisp mouthfeel from acidity and effervescence.

WHY CALL OUR FRIZZANTE SELKIE?

The Selkie brand has been developed with a rich storyline connecting it to the coastline of Atlantic Canada and all of its romance, mystery and elegance. Selkies are mythological creatures found in Scottish, Irish, and Faroese folklore. Selkies are said to live as seals in the sea, but shed their skin to transform into their human form on land, dance along the moonlit shores, bask in the sun on outlying skerries, and to be with the human she loves.
